Tittmoning, 28.05.2018

Warranty for BELMONDO® Kingsize Duo

We provide the following warranty covering wear which significantly impairs its functioning and can demonstrably be traced back to faults in the material or to manufacturing errors:

Horses:	lying area	5 years

The precondition for warranty cover is proper fitting and use of the product according to the KRAIBURG documentation valid at date of delivery. Apparent defects must be notified prior to fitting of the material. The General Terms and Conditions of KRAIBURG apply in all instances.

For allowance of warranty claims the original invoice or delivery note must be presented. Typical effects for the applications such as e. g. wear to upper or lower surface texturing, stretching of the surface coating, rippling in the surface coating or minor cracking are not covered by the warranty.

Defective material will be exchanged within the warranty period, our maximum liability for any and all claims is limited to the purchase price of the goods referred to above. An allowance is made for the period of use up to the warranty claim.

Legal basis is the German version of the document.
