The precondition for warranty cover is proper fitting and use of the product according to the KRAIBURG documentation valid at date of delivery. Apparent defects must be notified prior to fitting of the material. The General Terms and Conditions of KRAIBURG apply in all instances.

For allowance of warranty claims the original invoice or delivery note must be presented. Typical effects for the applications such as e. g. expansion of the mat, wear to upper or lower surface texturing or minor cracking as well as slight deviations in colour due to differences in material or related to ageing of BELMONDO® Style are not covered by the warranty.

Defective material will be exchanged within the warranty period, our maximum liability for any and all claims is limited to the purchase price of the goods referred to above. An allowance is made for the period of use up to the warranty claim.

Legal basis is the German version of the document.
